

My name is Nathan Gerhart. I am one of the instructors at Central Ohio EMS Training. I have worked in public safety since 2003 serving various roles as a volunteer and full time EMT, Paramedic and firefighter. I graduated from this program in 2004 as an EMT Basic and then returned to become a Paramedic in 2012.

Currently, I am employed as a Paramedic and Training Coordinator at a large ambulance district in Knox County. I also serve as a part time paramedic and firefighter in southern Richland County.

Besides being an EMS instructor, I am also a certified instructor for Tactical Combat Casualty Care, Tactical Emergency Casualty Care, Advanced Medical Life Support, Pre-Hospital Trauma Life Support, Geriatric for EMS , Advanced Cardiac Life Support, Pediatric Advanced Life Support, Basic Life Support, and VFIS Emergency Vehicle Operations. I also have an Associates Degree from NCSC.

Throughout my career, I have had the pleasure to work in both the public and private EMS sectors to gain experience. As a graduate of this program, I am proud to continue to educate and pass on what others have taught me.
